

## EC DECLARATION OF CONFORMITY

- Actuators** Valve and Damper Actuator A, B, C, D, S, L, T, R, M, U, & W-series  
Followed by up to 10 digits denoting functions and options  
Ratings: 24Vac at 50/60Hz or 30Vdc or 120/240Vac at 50/60Hz
- Model** X & Z series  
Followed by up to 10 digits denoting functions and options  
Ratings: 24Vac at 50/60Hz or 24Vdc
- Serial No** 63-524323 and following

This is to certify, based on the review of technical file, that the aforementioned product meets the requirements on the approximation of the laws of the member states, of council directive 2004/108/EC relating to electromagnetic compatibility (EMC) and of council directives 2006/95/EC relating to low voltage directive (LVD):

Tested according to:

EN60730-1  
EN55022, EN 50204, EN 6100-4-2/3/4/5/6/11

I hereby declare that the product herein specified conforms to standards and EEC directives herein designated

Date of issue: 19<sup>th</sup> June.2013

Signed:
