

EC DECLARATION OF CONFORMITY

Equipment

QHT 24R Room Air Quality Transmitter

The above listed products conform to EU EMC directive (89/336/EEC) and revisions and comply with

Harmonised Standards

EN 61326-1 IEC 61326 specifies requirements for immunity and emissions regarding electromagnetic compatibility (EMC) for electrical equipment, operating from a supply or battery of less than 1 000 V a.c. or 1 500 V d.c. or from the circuit being measured.

Automatikprodukter i Askim AB declare that the products listed above conform, when installed and operated in accordance with current relevant installation and operational standards and practices together with any additional information contained in the datasheet and/or manual, to above standards
