

EC DECLARATION OF CONFORMITY

We declare under our sole responsibility that the products to which this declaration relates are in conformity with the following standards and directive

Equipment

Axxx 100 Analogue Combustible Detectors Document-No CE-ex-1015
xxx= gas type name

The above listed products conform to EU EMC directive (2014/ 30/ EU) and revisions and comply with

Harmonised Standards

EN 61010-1-2010 Safety requirements for electrical equipment for measurement,
+Cor.2011 control and laboratory use.

EN 50402:2014-03 Electrical apparatus for the detection and measurement of
combustible or toxic gases or vapours or of oxygen.
Requirements on the functional safety of fixed gas detection
systems.
Full Development process for hard- and software is designed
according safety SIL2 – low demand

EN 61010-1-2010 Explosive atmospheres – Part 29:1
+ Cor.2011 Gas Detectors – Performance requirements of detectors for
flammable gases.

Automatikprodukter i Askim AB declare that the products listed above conform, when installed and operated in accordance with current relevant installation and operational standards and practices together with any additional information contained in the datasheet and/or manual, to above standards

Date of issue:

14th Oct.2015
